CAREER OBJECTIVE

- : Seeking a entry level position to improve my skill set and to gain more technical knowledge eventually grow my personality

EDUCATION

- **Sinhgad Academy of Engineering** **2021 - 2025**
Bachelor of Engineering in Information Technology(CGPA of 8.02) *Maharashtra , India*
- **Shri Gopinath Secondary and Higher Secondary School** **2019 - 2021**
HSC (Percentage: 85.33) *Maharashtra , India*
- **Shri Bhanoba Vidyalyay Kusegaon** **2014 - 2019**
SSC (Percentage: 85) *Maharashtra , India*

EXPERIENCE

- **Code Zone IT Solution** **Internship**
Frontend Developer *31 jan 2024 - 27 feb 2024*
 - **Hotel Room Booking System:**
 - * Developed the frontend for a Hotel Room Booking System, a single-page web application, using React.js with Vite.js for setup.
 - * Designed and implemented interactive, responsive user interfaces to enhance user experience.
 - * Built reusable components for dynamic features such as room availability filtering, booking forms, and real-time updates.
 - * Collaborated with the backend team to integrate APIs and ensure seamless data flow between the client-side and server.
 - * Gained proficiency in React.js and Vite.js, along with practical experience in frontend development workflows and deployment basics.

PROJECT

- **Breast Cancer Histopathological Image Analysis Using Deep Learning** : A system for analyzing histopathological images to assist in breast cancer detection. The project incorporates a deep learning model, a user-friendly GUI, and an SQLite-backed database for efficient data storage and retrieval.

CERTIFICATIONS

- **Java Programming:** The "Programming in Java" course by NPTEL introduces essential Java programming concepts, including object-oriented programming, data handling, and core libraries. It emphasizes hands-on practice to build skills in developing simple Java applications and solving problems efficiently.
- **Cloud Computing:** Gained comprehensive understanding of cloud architecture, virtualization, and distributed systems . Explored service models (IaaS, PaaS, SaaS), deployment models (public, private, hybrid), and resource management in cloud environments . Studied cloud security, data storage systems, and scalability techniques . Developed practical skills in cloud-based application design and deployment strategies.

TECHNICAL SKILLS

- **Languages:** C++, SQL , Core Java **Tools and Frameworks:** React , git

CO-CURRICULAR ACTIVITIES

- : ITSA (Information Technology Student Association)

SCHOLARSHIPS AND ACHIEVEMENTS

- **LPF Scholarship** : The Lila Poonawalla Foundation (LPF) Scholarship supports meritorious and financially disadvantaged female students pursuing higher education in engineering, technology, and other fields. It aims to empower women by providing financial aid, mentorship, and leadership development opportunities. Additionally, LPF conducts training programs such as Corporate Readiness Program (CRP), Self-Defense, and Dealing with Examination Stress and Anxiety, along with workshops on Leadership and Communication Skills

EXTRA-CURRICULAR ACTIVITIES

- VolleyBall
- Carrom

PERSONAL INTEREST

- Photography
- Gardening

PERSONAL DETAILS

- **Gender:** Female
- **birth date:** 13 mar 2004
- **Current Address:** S.no.61/8 Mane Vasti, Opp.oxford village, wanwadi Pune 411040, Pune, Maharashtra, India - 411040
- **permanent address:** At Post Patas,Tal-Daund ,Dist-Pune ,412219
